Mrs Nash's News

The children have been busy completing their assessments in class this week and have made their teachers very proud. Today you will receive a letter on School Spider detailing the dates and times for Parent's evening where you can collect your child's annual report. Appointments will go live on School Spider on Monday morning, so please sign up for an appointment.

Parents and Carers are invited to Northmoor Parent Forum with

Mr Hughes and Mrs Coleman. Please join us on Monday 1st July 2024 at 2.30pm in the training suite.

Please note – next week is the last week for clubs, following that all children will need to be collected as normal at 3:20pm.

What's been happening this week?

Nursery

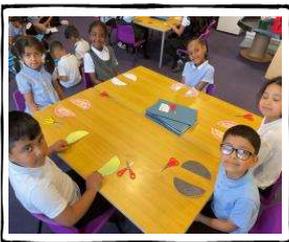

This week Nursery have been learning all about the life cycle of a frog. The children have been very smart and have been using the iPad's to find out how frogs grow. We have been following the interest of children and enjoyed pretend play in our very own Tesco!

Reception

This week in Reception we have been reading the book 'Deep Sea Dive' and writing about what we might see if went diving. We have also been talking about pollution and how this can affect the animals in the ocean. In Maths we have been adding using a number line.

Year 1

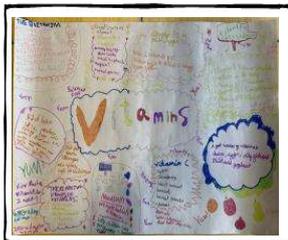

This week in Sapphire class we have been writing a story setting around a castle. In Maths we have been halving and quartering shapes and amounts. In science we completed an investigation to see which material was the most absorbent.

Year 2

This week we have been retelling Grandma's Seaside Bloomers. We used the chatterpix app to create speech. In maths we have revisited adding and subtracting to consolidate our learning from this year. We also created artwork inspired by LS Lowry!

Year 3

This week year 3 have been writing letters about a fictitious holiday on the River Nile. We have been busy completing our assessments showing just how much we have learnt. In science we have researched and created posters on the 6 nutrients that our bodies need to stay healthy.

Year 4

Year 4 have had a very busy week doing their assessments. They showed great resilience through the hot weather and worked very hard.

Year 5

This week year 5 have been creating alternative endings for our Frankenstein novel. It has been great fun. We have also enjoyed creating some artwork in the style of LS Lowry and exploring the life cycle of a bird.

Year 6

This week, Year 6 have been writing a persuasive leaflet for our Summer Fair. We wrote about all the different things available for people to do and things to buy. In Spanish, we have been learning how to tell someone what subject we are studying and at what time.
