Ms Beesley's News

I am thrilled to announce that this week, a group of Year 5 and Year 6 pupils represented Northmoor Academy in the Oldham Water Polo tournament and emerged victorious, securing **first place!** A special mention to Salman who was awarded **player of the tournament** and thanks also to Mr. Bramah who took his role as coach very seriously indeed! This is yet another example of the talent and dedication of our pupils and staff, showcasing the spirit of excellence that defines Northmoor Academy.

Wednesday 23rd July at 3:20pm

What's been happening this week?

Nursery

This week in Nursery we have been reading 'The Very Greedy Bee'. The children have enjoyed learning about how bees making honey? They have enjoyed making flowers in the workshop area. We have also been on a minibeast hunt looking for minibeasts in our Nursery garden. In maths we have been putting numbers in order. We have been enjoying reading our favourite stories in the reading area!

Reception

This week in English Ruby class have continued our learning about animals and their habitats, we have explored animals that live in the sea, on land, and in the jungle. In Maths we have been subtracting using a number line and thinking about how a number sentence in structured.

Year 1

This week in sapphire we have been learning about the features/rooms within a castle. In maths we have been looking at money and comparing amounts using greater/less than. In science we have discussed which is our favourite season and why. And in RE we have looked at bible stories and why they are important for Christians.

Years 1 /2 & 2

This week in English Year 2 have been writing a setting description of our castles in the style of an estate agent. We brilliantly used expanded noun phrases and persuasive language to sell it to the reader! In Maths we have been learning about money. We have been recognising amounts, adding amounts and giving change. In science we have continued to learn about seasonal change and looked at the average daylight hours across the months of the year and seasons.

Year 3

This week Year 3 have finished writing their letters all about their River Nile cruise! Ask us all about where we went and what we did!

In Maths we have been exploring fractions and specifically learning fractions of amounts – more new learning!

Year 4

This week, year 4 have been working hard on developing an alternative ending. We did hot seating and got into character as Beowulf to understand his thoughts and feelings. During Maths, we have learning about decimals and finding their equivalent fractions.

Year 5

This week year 5 have been working hard during assessment week. They have really impressed their teachers with their dedication and resilience. They are definitely ready for year 6! Jet class performed their class assembly 'The Tempest'. They did amazing. Well done!

Year 6

This week, Year 6 began our Business Enterprise project. We learned about famous entrepreneurs and brainstormed creative ideas for the upcoming summer fair. We also took on a fun challenge, where we had to build a tower out of paper — but we had to do it in complete silence! This activity helped us develop a variety of important skills, including teamwork, problem-solving and communication.
