Friday 4th July 2025

Ms Beesley's News

To ensure the safety of all our pupils, **we kindly request that you bring your children up to the school gates for handover.** The road outside the school can get very busy, and we want to minimise any risks associated with traffic. Additionally, **if you arrive after 9am**, our staff will be inside the school building. In this case, **we ask that you come into the building to sign your children in.** Thank you for your cooperation and understanding in helping us keep our school community safe.

Believe, Achieve, Succeed Awards

Ruby- Praisegod for being an independent learner.
Y1 Sapphire – Sara for super writing about her Castle
Y1/2 Pearl – Adonai for improved his behaviour

Y3 & Y5	10th July	2:00- 3:15pm

Please arrive on time, late arrivals may not be accommodated.

What's been happening this week?

Nursery

This week in Nursery we have been reading 'The Teeny Weeny Tadpole'. We have enjoyed singing nursery rhymes and making frog headbands. In the 2-year-old room the children have been reading 'The Gingerbread man'. The children have been role playing in the using the baking props and have enjoyed baking delicious Gingerbread men!

Reception

This week in Ruby class we have been reading 'farmyard Hullabaloo' we have been thinking about all the animals that live on land and on the farm. In maths we have been exploring capacity and using the language full, empty, more, less and half.

Year 1

This week in Sapphire Class we have been pretending to be Estate Agents and have written an advert to sell a castle. In maths we have been learning about Capacity. In RE we have been thinking about why the stories in the Quran are important to Muslims. We even acted out some of the stories. On Wednesday afternoon we enjoyed taking part in Sports Day.

Years 1 /2 & 2

This week in English Year 2 have begun an alternative retell of the book Good Knight Sleep Tight. We have produced some great ways to change the story. In maths we have been learning about capacity and have been getting wet measuring and comparing in millimetres across different containers. We have also enjoyed a fabulous (and sunny) sports day with our wonderful parents. We competed in egg and spoon, sack race and javelin, among others. We even had a couple of parents races which were brilliant. Thank you to all involved!

Year 3

This week, Year 3 have been exploring poetry and diamante poems in particular. We have enjoyed exploring word types and performing in a poetry slam at the end of the week!

In maths this week, we have been investigating giving change with money using number lines!

Year 4

In year 4, have been writing an alternative ending for our key text, Beowulf. We have used fronted adverbials and lots of adjectives to make our stories interesting. Some people even included similes and dialogue! In Maths, we have been learning about area and perimeter. We used different units of measure to work out and compare area and perimeter.

Year 5

This week, Year 5 have been busy writing their own unique endings to the story of 'Frankenstein'. They've come up with some fantastic ideas, so be sure to ask them to share their stories with you! In science, we have been learning about Metamorphosis and created some wonderful posters using their own research!

Year 6

This week, Year 6 put all their maths knowledge into practice by solving problem-based questions to uncover the identity of a missing criminal. These activities kept learning fun and engaging, as everyone was eager to find out who had tampered with the film at the cinema.
