

# Principal's News

Dear Parents,

It is the end of our second successful year at Northmoor Academy, we continue to go from strength to strength. This is a result of the hard work of our staff, children and their families. In September, I will continue to work across both Richmond and Northmoor Academy with the support of Mrs Coleman as Head of Academy. I am sure that you will agree that she is doing an excellent job - making our academy a great place to learn.

## Excellent Results

I am pleased to announce that this year children in every year group at Northmoor have made good progress. With such a diverse and growing school community this is something that we can all celebrate. At Key Stage Two the children were above national average in Writing, Grammar and Mathematics. Here are the results of our statutory tests.

## Year Six End of Key Stage Attainment

At the expected standard in	Northmoor Assessment Results	National Average 2017
Reading	38	71
Writing	86	76
Grammar and spelling	86	77
Maths	76	75
Combined Measure	38	61

## Goodbye and Good Luck

This year we will also say goodbye to Miss Harvey and Miss Stuart. We wish them both lots of luck in their future careers.

## Congratulations

This year Mr Davison have been part of the Teachfirst Programme. I am pleased to say that he passed with 'flying colours' and will continue to teach in Year Six in September.

## Growth

In September, we will continue to grow to a three form entry primary academy. This means that there will be many new families. We will expand our staffing and leadership team to accommodate the growth and continue to ensure that every child receives the best education possible. I am sure that the whole school community will be very welcoming and that our children will model how to 'be the best they can be.'

## And finally...

**Thank you to pupils, staff and parents for all their hard work this year. We are an excellent team who work together to ensure all our children get the very best education. I am very proud of everyone, they go above and beyond to ensure that we continue to be the best we can be.**

**Eid Mubarak to those families that will be celebrating during the summer holiday.**

Have a wonderful summer. School reopens to children on Tuesday 4<sup>th</sup> September from 8:15am

Warm Regards

*Mrs Haunsworth*
